Distribution

The Distribution reports provide a listing of the distribution circuits you selected for your release. This includes high-level details on a subset of the recipients of your release. Recipients are listed by circuit, trades, and your own email/fax lists as appropriate. The Top Placements area provides a list of many of the online sites that posted your release, including links to your release on those sites.

Views

The Views reports illustrate the activity to your release. These includes the amount of views to your release, the sources of the views (direct traffic, search engines, other sources), and the geographies that traffic came from. Views for your photos are also included here (as applicable for your release).

Engagement

The Engagement reports show what people did with your release as a part of viewing it. This includes any social sharing activity, clicks on links from the body of your release, and other activities like sharing it via email, printing the release, or viewing a feed of your company releases.
